ABOUT OUR GUEST CONDUCTOR....

Mrs. Robin DeSantis teaches in New York State where she has been the elementary band director in the Windsor School District for the past eleven years. Prior to this position she taught vocal and instrumental music in grades K-12 for four years.

Mrs. DeSantis received her Bachelor of Music Degree from the State University College at Potsdam's Crane School of Music, where she studied clarinet and Music Education. Her graduate work was also done through the Crane School of Music. She is also a member of the Sigma Alpha Iota Professional Music Fraternity.

Currently, Mrs. DeSantis is serving as the president of the Broome County Music Educator's Association. During the past two years her 5th and 6th grade band has been selected to perform for several state wide functions including the New York State Band Director's Association's Symposium in Syracuse and a special performance in Albany at the State Capitol.

In February Mrs. DeSantis was the guest conductor for the Jefferson-Lewis Hi County Elementary Band, located in Northern New York. Mrs. DeSantis is a band clinician and she continues to teach privately in addition to her full time position.
